

BST Bag Sealer, 80mm

[Show online](#)

Reusable bag sealer, detectable with a metal detector and x-rays.

ILLBY PLAST
plast - muovi - plastics

BST's reusable bag sealers/clips have a sealing length of 80mm, ideal for keeping ingredients fresh without the risk of a stray closure contaminating products. The product is manufactured using BST's proprietary xdetect® polypropylene copolymer formulation, which provides market leading detectability, impact resistance, visual clarity and food grade compliance. Detectable with a metal detector and X-rays.

Article No	BSTSEAL
Material	BST xdetect® polypropylene
Detectable	Yes
Color	Blue
Food safe	Yes
Order number	BSTSEAL
Measurements	95mm x 10mm, sealing length of 80mm
Weight product	100g
Packaging unit	10
