

Sampling/drinking mug

[Show online](#)

1 pint (568ml) drinking mug is ideal for sampling, scooping, testing, and of course drinking. Detectable by both metal detection and x-ray inspection systems.

ILLBYPLAST
plast - muovi - plastics

This 1 pint (568ml) drinking mug is ideal for sampling, scooping, testing, and of course drinking. The thick walls and strong, robust design makes this heavy duty mug ideal for the harshest production environments. The mug is made using BST's xdetect® polypropylene co-polymer formulation, which offers market leading detectability, impact resistance, visual brightness, and food standards compliance. Near impossible to break.

Article No	BSTMUG
Material	BST XDETECT®
Detectable	Yes
Color	Blue
Food safe	Yes
Order number	BSTMUG
Measurements	103mm x Ø 95mm, Internal Diameter Ø 86mm
Weight product	80g
Packaging unit	1
