

SECUNORM 610 XDR

IN A CLASS OF ITS OWN AS A BAG OPENER.

THE SAFER WAY TO CUT.

martor

SECUNORM 610 XDR

NO. 610001

Original size

Dirt protection

The SECUNORM 610 XDR's open design has several benefits. Dust and other particles won't stick and moveable parts stay moveable. The lever and blade retraction features then continue to function even under the most difficult conditions.

Easy to clean

Extra tough dirt is also no problem! Open the lever downwards to expose the components. Everything can now be cleaned as required, e.g., with compressed air, water or acetone. But remove the blade first!

Long, stainless special blade

The new, extremely sharp LARGE SPECIAL PURPOSE BLADE NO. 160060 has a 32 mm cutting depth. Ideal for quick and safe cutting of everything from a simple foil bag to multi-layer kraft paper with inliner.

Practical 3-in-1 lever

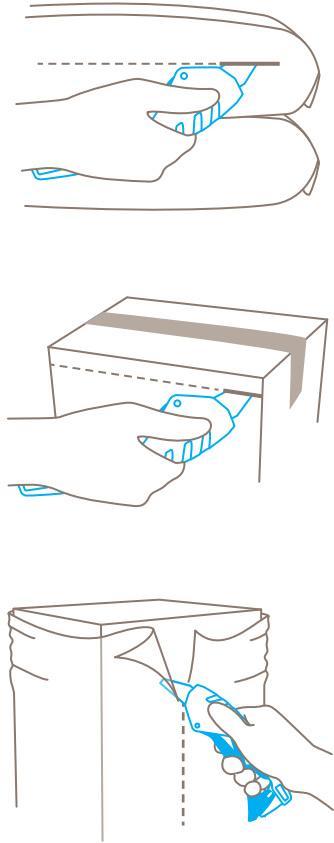

The bag opener is one of MARTOR's highly ergonomic squeeze-grip knives. The lever is smooth and finger-light to operate. It can be securely locked in place or folded out of the handle for blade changing.

Robust and detectable

Advanced ergonomics are not the only special features of the SECUNORM 610 XDR. The aluminium, unpainted handle and plastic components are also very robust for professional use. All parts are stainless and metal detectable.

Application

Doing the dirty work. With rounded special blade.

The SECUNORM 610 XDR is the first universal bag opener that cuts efficiently AND safely. Use it to open bags of any kind and thickness, and any content. XDR means eXtra Dirt Resistant, i.e., even dusty, liquid or sticky contents won't stop the safety knife. The blade automatically retracts after cutting on releasing the lever. Users are then also resistant – resistant to cutting injuries.

PRODUCT FEATURES

Technical features

 High safety	 Tool-less blade change
 Very abrasion resistant	 Very ergonomic
 Safety lock	 Cutting depth
 Rounded special blade	 For right and left handers
 Individually engravable	 Heavy-duty
 Metal detectable	 X-ray detectable

Main cutting materials

 Bagged goods	 Cardboard: up to 3-ply
 Wrapping, stretch and shrink foil	 Plastic strapping band
 Foam, polystyrene	 Felt

Installed blade

	NO. 160060 0.63 mm, rounded blade tip, stainless
--	---

Optional blade

	NO. 160099 0.63 mm, rounded blade tips, deep-edged, stainless
	NO. 60099 0.63 mm, rounded blade tips, deep-edged
	NO. 60095 0.63 mm, rounded blade tips, deep-edged
	NO. 98 0.63 mm

Cleaning

Very easy to clean due to an open design and easy access to all parts. See the user manual for more information.

Safety technology

Automatic blade retraction – a high degree of safety

The SECUNORM 610 XDR is equipped with automatic blade retraction: as soon as you release the lever, the blade disappears into the handle – and it stays there too. This provides a high degree of safety from cut injuries.

THE PERFECT FIT FOR ALL. DOES THE PERFECT JOB.

SECUNORM 610 XDR

- › Squeeze-grip knife with large cutting depth
- › For any bagged goods
- › Dirt resistant and metal detectable
- › Unpainted aluminium handle
- › Automatic blade retraction
